Assembly Shenanigans Hike Taxes

More and more we find ourselves quoting from John Stull. Stull is the big, capable assemblyman from our neighboring 80th Assembly District.

In a thoughtful and timely communication to us this week he touched the nerve of the expensive trauma most of us have just experienced. The trauma of taxes. In this case it was a triple play trauma—federal, state, and county property—all in a week's time.

We began to wonder when the tax burden will become so great that people will rebel against some of the expensive government operations.

It can be done by a simple procedure. Cut spending!

There is no way a new tax program, a shifting of taxes, or a spread of taxes to higher incomes and corporations will ease the burden. Whenever a tax area is reduced, there will be an increase somewhere else unless the money the reduction reflects is actually cut out of the budget.

Property tax relief is being given to senior citizens under terms of the expanded Senior Citizens Property Tax Assistance Act passed by the 1971 legislature. This is a proper relief action in that elderly people were being forced to give up the property many had worked all their lives to acquire. Forms for this property tax rebate will be available after May 10 in the office of the Franchise Tax Board and the County Assessor in San Diego.

The retired military in California will be deprived of some state income tax relief. The "mini" tax reform measure passed by the legislature in the closing days of the Special Session removed the provision that the first \$1,000 of retired pay be excluded from the gross income for state income tax purposes. A restoration measure has been introduced, however, Stull reported.

Lower taxes for the rest of California seems a remote possibility at present, Stull said. The current budget proposal just passed by the assembly would make lower taxes almost an impossibility. The budget does not reduce spending—it has been increased.

Stull said he voted for the budget in the Ways and Means Committee only as the means for getting it to the floor, but once on the assembly floor, he voted "no" as a means of protest. The tradition-breaking tactics of the Ways and Means Committee Chairman, Willie Brown, and the totally arbitrary addition by the committee of \$100 million for school financing were things that Stull said he could not in any conscience support.

He said Brown also prevented responsible discussion in committee by his hurry-up procedures, and every subcommittee had a majority of members of the majority party—the Democrats. In 1967-68 and 1968-69, with a Democrat chairman, subcommittees were chaired by four Democrats and two Republicans. With a Republican chairman in 1969-70 and 1970-71, the Ways and Means subcommittees were chaired by three members of each party. This year, it's different. All subcommittee chairmen are Democrats, and in addition, a seventh subcommittee was added and this was chaired by Mr. Willie Brown, himself, and this became the "hatchet" subcommittee for the Speakers political attacks on the administration, Stull said.

Stull said that in the area of school finance he does not oppose helping education, but the addition of an arbitrary \$100 million with no justification for that figure, no rational reason, and no specific plan of distribution, was not in line with his philosophy.

He noted that control language was inserted which forbids the money for being used for teacher salary increases and specifying the areas in which it could be utilized. But administrators could get around this control language by simply reshuffling their budgets and use regular monies for salary hikes and the new monies for presently budgeted expenses.

This, he said, shows that increasing the state's support of education will not correct the inequities which exist between local school districts and their tax rates and expenditures per pupil.

Attempts such as this are irresponsible and not responsive to the needs of either the schools or the people.

City Planners Win In CPO Makeup Vote

SAN DIEGO (CNA) — City planning technician positions members of the Comprehensive Planning Organization (CPO) overwhelmed the lone county representative (Supervisor William Craven) and moved to take over control of CPO Monday. City members include mayors and councilmen.

The vote was a victory for Richard Huff, executive director of CPO who wanted an "independent" CPO staff of 28 top-level management and 16 clerks.

The county wanted independent management but with the technical work continuing to be done by county staff. Cities-county will share the cost on a population basis state and federal fund bulked by a new gasoline tax starting July 1.

El Cajon Councilman Dick Brown has been a leader in the move for city takeover. He is also a candidate for the board of supervisors in District 2.

He managed to find one million dollars savings in the 28-man plan, although how he found it remains a puzzle. He cited county's proposed CPO budget as \$1.6 million. County officials remained silent but there on a piece of paper prepared by Huff showed the amount to be \$1.5 millions. The difference is \$100,000, a tenth of what Brown said it would be.

Both Craven, and Chief Administrator Fred Morey commented bitterly after the meeting. They wanted the county to pay on a pro rate basis with county services supplied on a cost basis.

Miss Barbara Kotnic Selected As Miss Lemon Grove For 1972

QUEEN AND COURT — Newly selected Miss Lemon Grove, Barbara Kotnic, takes her place on the throne, flanked by her two runners-up, Liz Jessup, left, 2nd runner-up, and Cheryl Bolieu, 1st runner-up. The new queen, a senior at Mt. Miguel High School,

Miss Barbara Kotnic, 17, James Jessup, of 6760 Charlene ave., Lemon Grove. She is a junior at the University of California at San Diego.

The new queen was crowned by Laura Bolieu after winning the title from nine other contestants. Miss Kotnic, as first runner-up Cheryl Lynn Bolieu and second runner-up Elizabeth Jessup for the title, is a senior at Mt. Miguel High School, where she was named homecoming queen last fall.

The new queen, a blue-eyed blonde, is 5'8" tall and weighs 125 pounds. She is the sister of Marilyn Kotnik, who was first runner-up in the 1970 Miss Lemon Grove Pageant.

First runner-up Cheryl Bolieu is the 17-year old daughter of Mrs. Katharine Bolieu, of 2659 Hardy dr., Lemon Grove and is the sister of 1971 Miss Lemon Grove, Laura Bolieu. As runner-up Miss Bolieu may be called upon to perform the duties of Miss Lemon Grove if Miss Kotnic is unable.

Second runner-up Elizabeth Jessup is the 20-year old daughter of Mr. and Mrs.

Planners Set Special Meet

The Lemon Grove Planning Association Executive Committee met last Thursday evening and adopted several of the residential subcommittee goals, discussed briefly the park situation, and heard an explanation of a county goals report at a recent general meeting.

Five of the ten proposed goals of the residential subcommittee were approved and one was deleted, which leaves four to be considered at a special executive committee meeting scheduled for this evening at 7:30 p.m. in the Golden Avenue School auditorium.

Due to lengthy discussions on some of the residential goals, there was no time to consider the remaining residential goals or any of the environmental subcommittee goals, which were on the agenda. It is hoped that the goals of both subcommittees will be adopted tonight.

In addition to discussion of goals and parks, planners listened to a report from Walter Keville, who was responsible for compiling a summary of goals presented at a meeting of the general membership of the planning association three weeks ago.

Keville's summary was the target of complaints at the general meeting that he overstepped his authority, as the report varied considerably to goals which have actually been approved by the executive committee in some areas. He explained, however, that his suggested changes were unintentional and that the report was the result of a breakdown in communications.

'Pot' Charges Dropped

Charles Kahan, 39, the son of a Lemon Grove liquor store operator, will not be prosecuted further in a marijuana smuggling case, according to Maricopa, Arizona County Attorney Moise Berger.

Kahan, an instructor and football coach at Helix High School, was arrested with an El Cajon man in November, 1971, and a search of the vehicle in which they were riding netted 1,000 pounds of marijuana, Maricopa Sheriff's Department reported.

In a superior court hearing in February, charges against Kahan were dismissed, and this week it was learned that the attorney's office will drop the charges.

Additionally, Lemon Grove's loveliest will represent the town in the 27th annual Fairest of the Fair competition, which is held to select a queen to reign over the exposition.

Other prizes awarded the new queen include a scholarship in modeling and charm from John Powers School, a free hair-style from Don Vine's Beauty Salon, as well as numerous prizes from local businesses and service clubs.

Should the local lass be chosen Fairest of the Fair at the pageant she will collect \$500 in cash and prizes valued at \$2,500.

BATHING BEAUTY — Miss Barbara Kotnic, 1972 Miss Lemon Grove, models her bathing suit for judges in the the Lemon Grove Rotary-sponsored contest held Saturday evening at Lemon Grove Junior High. OTD Carnival Discussion Set For Chamber Meeting

Newly-installed president Mike Carlen will preside over his first meeting of the Lemon Grove Chamber of Commerce next Thursday noon at Pal's Cafe, 3521 Imperial ave., in Lemon Grove.

On tap as the main order of business for the meeting will be the discussion and arrangements for the Lemon Grove Old Time Days Carnival, which will be held for the first time this year, sponsored jointly by the Old Time Days Association and the Chamber.

The Chamber will offer pre-sale tickets to rides at the carnival, which will be held at the St. John of the Cross Church grounds at the corner of Broadway and Washington st. May 10-14.

The pre-sale tickets will be sold in books of five for \$1, according to carnival co-chairmen Jim Dorman and Gary Sweet. The tickets will be for rides which would ordinarily cost 20 to 40 cents, so savings of up to 50% are available for pre-sale ticket holders.

The special offer on tickets will be discontinued as of May 8.

'Kick-off' Banquet School Officials Answer Tickets Go On Sale Questions On Unification

Tickets went on sale this week for the Old Time Days Kickoff Dinner-dance scheduled for Friday, May 5, at the L.G. V.F.W. Hall, according to George Tonner, dinner chairman.

Tickets are \$5 and are available at the Chamber of Commerce office at 3415 Imperial ave., and from Old Time Days directors and most business firms.

Mrs. Rita Wells, a chamber member, will be the "outside saleswoman" for dinner and contest tickets.

The dinner will follow a 6:30 cocktail hour with dancing from 8:30-12. The menu consists of five salads, sirloin tips, baked ham, seafood salad, vegetables, coffee and desert. The food will be catered by Jac's and dinners may take as much as they wish from the buffet, and return as often as they wish. Jac's is the same caterer whose food and service brought many compliments following the Chamber installation dinner.

Tonner said that Dezi Arnaz, this year's parade grand marshal, had been invited to the dinner. So had Byron Netzel, honorary marshal.

The John Abelman Trio, of Los Angeles, will provide dance music and several night club performers, yet to be named by Tonner, will entertain.

The OTD organization is: Ivan McDermott, president; Don McCrea, vice president; and Louise Warren, Jim Dorman, Red Goff, Dr. Jerry Legerton, Bill Rush, Al Wood, Dr. Sam Smith are directors.

The prize contest is to raise funds for San Diego public service television channel 15, one of Arnaz's interests.

The following article is the first of a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendent of local school districts and are presented as a service to readers who wish to be informed. Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) What is a unified school district?

A unified school district is one that is responsible for the education of children and youth in both the elementary and secondary levels.

2) What are the organizational characteristics of a unified school district?

A single governing board has jurisdiction over all the grades K-12 included in the district.

The district constitutes one tax base undivided by grade level, unbroken by many elementary school district boundaries, and subject to one tax rate.

The district has one electorate to which the governing board of the district is responsible.

The unification plan for the Grossmont Union High School District area, if approved by a majority of all voters in the Grossmont area on June 6, 1972, will result in the formation of three unified school districts:

The proposed "West" district, consisting of all the territory of the present Lemon Grove School District, most of the present La Mesa-Spring Valley District, and a small portion of the Cajon Valley District.

The proposed "South" district, made up of the territory in the present Dehesa and Jamul-Las Flores Districts, most of the Cajon Valley District, and a small portion of the La Mesa-Spring Valley District.

The proposed "North" district, consisting of the territory of the present Alpine, Lakeside, and Santee Districts, as well as a small portion of the Cajon Valley District.

The governing board of each unified district would consist of five members elected at large.

3) When will the governing board members for the newly formed unified districts be elected?

The election of governing board members will be held after the unification election, if it is passed, at the earliest possible date. The election date may not be set until after the canvassing of the June 6 election, and the earliest possible time would be in September.

4) How will the cost of the election of the board members be paid?

Costs of the election will be paid by each of the unified districts.

5) What powers and duties does the newly elected board have?

If the unification is successful, there will be a transition period during which both the new boards and the present elementary boards will be operating, and the boards will

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

A visit to a Spanish-speaking beauty shop can be a great learning experience for most ladies. The sign in the window might say "Salon de Belleza" for "Beauty Shop" and the person who provides the service is "la peluquera" (the beautician).

"Un permanente," pronounced "oon pehr-ma-NEHN-teh" is a key word. For example, madam might say "Quiero un permanente." (I want a permanent.) "No quiero un permanente." (I do not want a permanent.) or "Cuanto cuesta un permanente?" (How much does a permanent cost?).

"Le corto el pelo?" is another common expression. It means "May I cut your hair?" If one wants her hair cut she might say "Corteme el pelo, por favor." (Cut my hair please.). The attendant might ask "Le corto mucho o poco?" (Should I cut a lot or a little?). A simple answer of "mucho" (a lot) or "un poco" (a little) is satisfactory.

"La manicurista" (the manicurist) is another assistant in the beauty shop. She might ask "Le corto las ungas?" (May I cut your nails?). A response to this might be "Favor de cortarlas." (Please cut them.) or "Cuanto cuesta una manicura?" (How much does a manicure cost?). Hopefully a response to this question will be "No cuesta mucho." (It does not cost a lot.).

"Una cita" (an appointment) may be a vital word for anyone who patronizes a beauty salon which maintains an appointment book. In this case one might be greeted at the door with the expression "Tiene usted una cita?" (Do you have an appointment?). If you are well prepared, your response might be "Tengo una cita para las tres." (I have an appointment for three o'clock.).

You may enjoy practicing these phrases with the automatic record that may be heard when you dial 276-2762 on your telephone.

IMPORTANT PHRASES:

Say "Tiene usted una cita?" (tee-EH-neh oo-STEHD oon-nah SEE-tah) for "Do you have an appointment?"
Say "Tengo una cita." (TEHN-goh OON-nah SEE-tah) for "I have an appointment."
Say "Un permanente, por favor." (oon pehr-mah-NEHN-teh pohr-fahVOHR) for "A permanent, please."
Say "Quiero una manicura." (kee-EH-roh OON-nah mahn-NEE-KOO-rah) for "I want a manicure."
Say "Le corto las ungas?" (leh KOHR-toh lahns OON-nahs) for "Shall I cut your nails?"
Say "Si, por favor." (SEE pohr-fahVOHR) for "Yes, please."

Letters to the Editor

Dear Editor,

I have been a resident of Spring Valley for 35 years, and for many years, those of use who live near the Campo rd. and Bancroft dr. intersection worked to get traffic control lights for the intersection.

After the badly-needed signal was installed, the freeway was constructed and opened, which lessened, to a degree, the need for the signal.

However, the lights are not now operating in the usual manner, rather, the flashing red and yellow signals are now utilized. I feel that the situation presents a hazard, because nobody pays attention to the yellow lights.

Thinking the lights were out of order, I contacted the county after a few weeks, learning that the operation was entirely intentional.

I also learned that it is under consideration whether or not to leave the lights operating in this manner, or possibly remove them.

I propose that the county, if it is found feasible, remove the signal system and install a four-way stop sign; or, if

the lights must stay, revert to the ordinary operation of the lights.

Mrs. Mildred Moran
Spring Valley

Editor's Note: County Traffic Engineer Frank Westfall, in an interview last week, agreed with Mrs. Moran that the freeway had lessened the need for traffic lights, and that the freeway reducing traffic on Campo rd. was the main reason why the lights are operating as they are.

He said that data on the intersection supported his idea that the traffic control is not justified by the volume of traffic and that he will suggest to the board of supervisors traffic control committee that the signal be eliminated and replaced with a stop sign for traffic on Campo rd.

The committee will meet May 8 at the County Operations Center, 5555 Overland ave., San Diego, to consider

the problem.

It was learned Monday that the traffic signal is again operating normally, pending the committee meeting.

Dear Editor,

Taxes are high enough without this costly school unification of the Grossmont High School District on the June 6 ballot.

It does not improve the children's education as teachers remain the same; courses stay the same; textbooks are the same. The extra money from taxpayers will go only into expensive overhead.

As a senior citizen, I find it hard enough to pay my taxes without the burden of additional taxes.

Could you please, Mr. Editor, urge a "No" vote on school unification.

Jr. High Band Plans Spring Appearances

The ninety-five member Lemon Grove Junior High School marching band begins the first of three spring appearances Saturday morning with a performance in the Lakeside Rodeo Days Parade.

New drum major Bill Rice is scheduled to lead the Trojan musicians along the one mile route on Main street. The activity should give director Harry Weisgerber a good look at how his charges shape up for the May 6 Maytime Band Review competition in National City.

Weisgerber is hoping the parade, which begins at 11 a.m., is more productive a tuneup for Maytime than the 1971 event which was held despite a heavy rainfall.

The Lakeside affair will mark the first street function for the marching band since it played in the Chula Vista Fiesta De La Luna Parade last October.

Other plans for the band include a dime-a-dip dinner in conjunction with the monthly meeting of the Music Parents Association, May 8, the Lemon Grove Old Time Days Parade, May 14, a final concert at the June 5 Music Parents meeting, and a picnic at Caran Ranch, June 12.

In an emergency, the fastest way to get help is to dial the police, fire department, or doctor, yourself. That's why we've left blank spaces in the front of your phone book, where you can fill in these important numbers. Having them in a convenient place may come in very handy if you ever need them in a hurry. If for some reason you can't dial the number yourself, just dial Operator, who'll be glad to help.

The Invest-in-America Council reminds you: "Your savings and investments mean money at work. For a stronger economy, invest in America."

A phone left off the hook—either accidentally or on purpose—can keep you from getting an emergency call, an important message, or other calls you really wouldn't want to miss. Remember, your telephone is like a second door to your house. So keep this door open. Make sure your receiver is always properly placed in the cradle.

Robin Hood Wins Pair

Robin Hood Auto Sales won a pair of games, while Delp Plastering won its only contest in Spring Valley Bobby Sox action last week, as the two teams ended the week in a tie for first place.

Delp Plastering, on the outstanding pitching of Valerie

Aranda and good hitting from Kathy Rhodes and Cynthia Shughrue, knocked off Stroh's Lomita Bowl, 19-7. Miss Aranda tossed a one-hitter while striking out 14 batters to notch the victory.

Robin Hood, after a 12-11 come-from-behind victory over Sportland, made things look easy by pinning a 23-11 loss on the last-place S.V. Boosters.

In its first game, the Sherwood Forest crew fell behind, 11-8 after six and one half innings, but came up with four tallies in the bottom of the final inning to claim the victory. In that contest, Tami and Sheri Clarke and Paula Perettie had the top bats for the winners, each collecting three hits. Tamara Landrum belted a home run for the losers.

Matadors Stretch Streak With Two Loop Victories

By Paul Stark

Led by the hitting of Paul Schneider and Mike Ursillo the Mount Miguel Matadors ran their winning streak to three games with a 5-3 victory over El Capitan and a 12-4 decision over El Cajon.

On Tuesday the Matadors broke a 3-3 tie with El Cap in the seventh inning when with one out Vic Varvel walked Tim Miller on four pitches. Buster Ledesma singled to left and when he was caught in a run-down, Miller scored. Ledesma went to second on a bad throw during the run-down and scored the insurance run when Phil Williamson doubled to left.

The Matadors drew first blood in the third inning when Schneider led off by

stroking a double to right and scored when Ledesma belted a double to left.

In the bottom of the inning the Vaqueros tied it up by putting two doubles together for a run. Gary Armstrong led off the inning by hitting a double off the center field embankment and scored one out later when Don Sutton doubled to left.

On Friday the Matadors in the first inning jumped on El Cajon hurlers Craig Jahries, Dennis Taylor and Dave Marabell for seven runs on four hits, and five walks. Three of the hits were run-scoring doubles by Tim Miller, Phil Williamson and Mike Ursillo.

Ursillo made it 9-0 in the third inning when he hit a hanging curve ball 325 feet for his first homerun of the season.

The Braves, with the score 11-0 broke the ice in the sixth inning when Jim Yeargan led off by drawing a walk off Terry Holm. Brain Files then hit a potential double

play ball to Williamson but he bobbled it for an error. Ron Starkey singled to left to lead the bases. Yeargan and Files scored when Mark Tysdal and Brad Johnson both walked.

In the seventh inning the Braves scored again with one out and Yeargan on first when Files jumped on a hanging curve for his first homerun of the season over the right field fence.

In crushing the Braves, the Matadors collected 11 hits, including six doubles and one homerun. Mike Ursillo had his best day at the plate as he went 3 for 4.

On Friday the Matadors will see more league action when they host Granite Hills with Bob Pannell on the mound. The last time the Matadors met the Eagles they lost 7-0.

On Tuesday they will travel to meet Grossmont with Holm due to start, the last time the teams met the Foothillers won 3-1.

Midget Bats Rip Spicers In LG Bobby Sox Action

The Lemon Grove Bobby Sox League opened the 1972 season last Saturday and all teams saw action.

In the most lopsided game of the day in major league action, the Quota Club Midgets, with excellent hitting, pounded the Lido's Pizza Spicers, 20-8.

Leading the way for the Midgets was Nancy Rudduck, who belted three doubles. Kathy Simmons added four singles, while Toni Pearce rapped a double for the winners. In a losing effort, Dolly

Goins knocked three singles for the losers.

The Severin, Garazenelli, and Stenbeck Orioles had to work for their 13-11 victory over the Michael's House of Sight and Sound Quasarettes. Swinging the big bat for the Orioles was Pam Jackson, who belted a pair of doubles and two singles. For the Quasarettes, Rhonda and Valerie Sones each had two doubles.

In another lopsided affair, the Len's of Lemon Grove Fashionettes claimed an 18-8 decision over the Lions Club Lionettes. Anna Ledesman was the top hitter, collecting four safeties for the winners.

Another tight game saw the Shalees Nibblers top the Southwest Leasing and Car Rental Lessees, 14-12. Pam Cox, of the Nibblers, and Maria Luna, of the Lessees, shared batting honors, each belting a double and two singles.

More action for the league will be Saturday at the field on the Lemon Grove Junior High playground, beginning at 8:30 a.m. Eight games are scheduled.

Padres Due In Weekend Tilts With Dodgers

The Padres conclude their first home stand with the Giants this week, spend the weekend in Los Angeles and then are back home to entertain the Mets starting next Tuesday.

The three-game series with San Francisco ends tonight with Steve Arlin facing Sam McDowell at 7:30 in the Stadium.

Bill Greif, Fred Norman and Clay Kirby are scheduled to face the Dodgers in Los Angeles and these games may be seen over KCST television, channel 39.

Then it'll probably be Arlin battling the Tom Seaver-led Mets starting next Tuesday.

The Padres hope to cash in on an inviting early-season schedule that permits them 15 out of their first 18 dates at home.

"It was our primary goal when spring training began to get off to a fast start," said Preston Gomez. "I am confident that we will."

Although the Padres' record against the Dodgers last season wasn't robust, San Diego did have an excellent mark in Dodger Stadium winning five of nine.

"This year we are much better equipped to adapt to any park," Gomez said. "We have the team speed to compete favorably no matter where we play. And, of course, we always did have better power than most clubs."

In 18 games with the Dodgers last season, the Padres out-homered LA 14-8 but were outscored 51-86.

"It's no secret that we've changed our attack," Gomez said. "We're going to score more runs this year and we're going to score those runs in many more ways."

This means that the present elementary boards will continue operation and that the primary responsibility of the new boards will be to make plans for the 1973-74 school year.

Vacation To Boost Youth Center Crowd

(Cont. from Page 5)

keeping the Center open when it was revealed that a generous erio was supplying funds for operation. But insurance wages were more than this group could reasonably afford. So the newspaper began a campaign to acquaint the community with the problem. It was built around a circulation campaign already under way. It is a simple program. It set aside a donation from the newspaper of 50 cents for every subscription we sold.

The Association board is presently made up of Verna Quinn, a housewife; Len Farness, a local clothier, and Frank Shughrue, a banker.

Total funds presented to the Association including outright gifts from those who had been told of the plight of the Center exceeded \$200. With \$17 earned last week added to \$27 the week before, \$39 went to the Center's operation fund in the past two weeks.

There is still a need for a vacuum cleaner, upholstered furniture, a set of pool balls, a pingpong table, and some summer counselors. Questions concerning these items may be directed to any member of the board or to the editor of this newspaper.

Persons who agreed to subscribe to aid the Youth Center operation last week included:
